**MOST IMMEDIATE**

**ISEPC-Cir No 138/ICEGATE/2020-21**

**10th September 2020**

To All Members of the Council,

**Sub: Advisory Circular from CBIS for Mandatory Registration of Member Exporters on ICEGATE- reg.**

Dear Members,

Customs has introduced Single Window Interface for facilitating Trade (SWIFT) as part of ease of doing business initiative to integrate Customs and other Participating Government Agencies (PGAs) for seamless processing of import and export clearances. One of the components of SWIFT is e-SANCHIT. Under e-SANCHIT, the system allows a trader to submit all supporting documents for clearance of consignments electronically with digital signatures. This obviates the need for the trader to approach different regulatory agencies with hardcopies of the documents, thereby making the entire process of consignment clearance paperless. It has been made mandatory that all the importers and Exporters are required to upload the documents relating to regulatory compliances electronically;

2. CBIC brought all the Participating Government Agencies (PGAs- EPCs / Trade Bodies) - on board e-SANCHIT whereby instead of importer/ exporter, the PGAs will upload the Licenses, Permits, Certificates and other Authorizations (LPCOs) on e-SANCHIT. For this, **it is a prerequisite that the beneficiaries of LPCOs are essentially registered on ICEGATE**. CBIC had issued Circular No.35/2018-Customs dated 1.10.2018 for registration of beneficiaries on ICEGATE wherein all the importers/ exporters, customs brokers or any other beneficiary transacting with customs were requested to come forward and register on ICEGATE. In addition to this, CBIC has introduced simplified auto registration of the beneficiaries (IEC holders) vide Circular No. 14/2019-Customs dated 3.6.2019;

3. The Council has also forwarded all the circular issued by CBIC on the subject from time to time and in spite of above Circulars, out of 51 PGAs brought on board on e-SANCHIT, 18-20 PGAs (EPCs/ Trade Bodies- in the absence of cooperation from member exporters of the EPCs) are only uploading the LPCOs. **It has been brought to the notice that the EPCs are unable to upload the LPCOs on e-SANCHIT solely because the beneficiaries are not coming forward to register themselves on ICEGATE;**

4. To tap the benefits of e-SANCHIT, it is requested that the IEC holders transacting with Silk Council are directed to mandatorily register on ICEGATE before applying for any LPCO. While applying for issuance of any LPCO, a certificate to the effect that the beneficiary (importer/ exporter) has registered with ICEGATE with an updated authentic email id shall be furnished. A detailed procedure on registration is available at ICEGATE website under the path [www.icegate.gov.in](http://www.icegate.gov.in)>Downloads>RegistrationDemo;

It is once again requested to kindly follow the above guidelines issued by CBIC and register yourself/ your company on ICE-GATE with your registered email ID and inform the Council about your registration on ICEGATE with reference number;

Members may treat this message as most urgent.

Thanks n regards,

Sd/-

Madam / Sir,

**Sub:** Implementation of PGA eSANCHIT– Paperless Processing under SWIFT- Uploading of Licenses/Permits/Certificates/Other Authorizations (LPCOs) by PGAs – reg.

‘eSANCHIT’ application is successfully in operation since 01.04.2018. Further with the objective of further reducing physical interface between Customs/regulatory agencies and the trade and to increase the speed of clearance in both imports & exports, a facility to upload digitally signed Licenses / Permits / Certificates / Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on eSANCHIT at all ICES locations across India was introduced from 16.11.2018 vide Circular No. 44/2018-Cus. dated 13.11.2018.

2. Initially, only three PGAs namely CDSCO, CPCB and WCCB were brought onboard *eSANCHIT* with the facility to upload one LPCO each. Subsequently one more PGA namely DGHC was also brought onboard with all its LPCOs. Now 23 more PGAs with their LPCOs as detailed in the Annexure are being brought onboard *eSANCHIT* platform. Further, the above mentioned PGAs that were already onboard shall also start uploading their remaining LPCOs. The communication of the IRNs pertaining to LPCOs uploaded by PGAs will also be made to the beneficiaries only through the email ids used for ICEGATE registration. A separate circular is being issued on the requirement of the ICEGATE registration for IEC holders.

3. Since the facility to upload the LPCOs is now being fully made available to the PGAs, therefore, the beneficiaries i.e. importers/exporters/customs brokers would not be allowed to upload the previously issued LPCOs on *eSANCHIT* w.e.f. 01/07/2019. Further, to facilitate the members of the trade (beneficiaries), the PGAs are required to upload the LPCOs issued by them during the last 15 days from the

above cut-off date. Any LPCOs issued on a prior date may also be uploaded by the PGAs on *eSANCHIT*, in order to enable the beneficiary to utilize the same.

4. All Chief Commissioners of Customs are requested to issue public notices. Feedback and queries, if any, may be sent by email to [icegatehelpdesk@icegate.gov.in](mailto:icegatehelpdesk@icegate.gov.in).

5. Any difficulties, in this regard, may be brought to the notice of the Board.

**Yours sincerely,**

**(Maninder Kumar)**

**Subject: Simplified auto-registration of beneficiaries (IEC holders) on ICEGATE for eSANCHIT and other benefits – reg.**

I am directed to refer to Board's circular No. 35/2018 dated 01.10.2018 wherein it was stated that CBIC was working towards bringing all the Participating Government Agencies (PGAs) under eSANCHIT and enable PGAs who issue Licenses, Permits, Certificates and Other Authorizations (LPCOs) to upload the documents themselves instead of importer/exporter. The IRN of the uploaded documents would be communicated to the beneficiary importer/exporter for quoting the same in their declaration. The importers, exporters, Customs Brokers and other beneficiaries transacting with Customs were, therefore, requested to come forward and register on ICEGATE Portal. A detailed procedure was also made available for this purpose.

2. However, the response from the trade has not been encouraging. The matter was examined in consultation with the Directorate General of Systems. For successful implementation of PGA-eSANCHIT, it is essential that beneficiaries are registered with ICEGATE portal. Once the facility of uploading the LPCOs on eSANCHIT by PGAs is implemented, the beneficiaries will not be allowed to upload the same themselves. Out of 48 PGAs, nodal officers of around 29 PGAs have registered with ICEGATE and will commence uploading LPCOs shortly.

3. It was reported that one of the bottlenecks in registration was the requirement of Digital Signature Certificate of beneficiaries. For the effective implementation of PGA-eSANCHIT and other planned enquiries and interactions, it was decided to simplify the registration process on ICEGATE for those importers and exporters that do not intend to do any filing of documents through ICEGATE and would use the login only as an information and interaction portal.

4. Accordingly, ICEGATE has now introduced simplified auto registration for IEC holders based on the email ids already provided by them for registration under GST. Detailed advisory on the same has been placed on the ICEGATE web portal. The simplified procedure does away with the requirement of the digital signature. However, as has been stated above, digital signature would be required in case the IEC holder intends to file any declarations (BE, SB, eSeal manifest etc.) with Customs. Further, the communication of the IRNs pertaining to LPCOs uploaded by PGAs will also be made to the beneficiaries through the email ids used for ICEGATE registration.

5. The registration of importers and exporters will also enable direct access to information related to their consignments for which DG(Systems) is providing several enquiries under their login. The importers and exporters will get intimation about the status of their consignments and PDF copies of their declarations on their registered email ids. The option of replying to the queries raised by Customs officers, including those raised during post clearance audit, has also been provided under the login of the IEC holder so as to avoid the necessity of submitting the same physically at the Service Centre.

6. The importers and exporters operating in your jurisdiction may be asked to immediately register themselves, if not done already, so as to avail of the above benefits. All the field formations in your jurisdiction may also be sensitized in this regard and asked to issue suitable Trade notices.

**Yours sincerely**

Madam / Sir,

**Sub: Implementation of PGA eSANCHIT– Paperless Processing under SWIFT- Uploading of Licenses/Permits/Certificates/Other Authorizations (LPCOs) by PGAs – reg.**

‘eSANCHIT’ application is successfully in operation since 01.04.2018. with the objective of further reducing physical interface between Customs/regulatory agencies and the trade and to increase the speed of clearance in both imports & exports, a facility to upload digitally signed Licenses/Permits/Certificates/Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on eSANCHIT at all ICES locations across India was introduced from 16.11.2018 vide Circular No. 44/2018-Cus. dated 13.11.2018. In this regard, kindly refer to Board’s Circular No. 13/2019-Cus. dated 03.06.2019 also. Already 27 PGAs have been enabled for uploading their LPCOs on eSANCHIT.

2. Now, 16 more PGAs with their LPCOs as detailed in the Annexure-I are being brought onboard eSANCHIT platform. With this, the total number of PGAs brought on Board becomes 43 as on date. Further, the Council of Leather Export which is already onboard shall also start uploading their remaining LPCO namely Certificate of Import Clearance for Textile and Textile Articles.

3. Since the facility to upload the LPCOs is now being fully made available to these 16 new PGAs, therefore, the beneficiaries i.e. importer/exporters/customs brokers would not be allowed to upload the previously issued LPCOs on eSANCHIT w.e.f 01/08/2019. Further, to facilitate the members of the trade (beneficiaries), the PGAs are required to upload the LPCOs issued by them during the last 15 days from above cut-off date. Any LPCOs issued on a prior date may also be uploaded by the PGAs on eSANCHIT, in order to enable the beneficiary to utilize the same.

4. It is reiterated that the PGAs will be communicating with the beneficiaries through the email addresses registered in the ICEGATE. Board had also introduced simplified auto registration process in ICEGATE based on email ids already provided by them for registration under GST without the use of digital signatures for limited purposes of eSANCHIT (communication and viewing) and the IRNs will be communicated to such email ids. In this regard, kindly refer to Board's Circular No 14/2019 -Cus. dated 03.06.2019. Since the facility of beneficiary uploading these documents through eSANCHIT will be deactivated from 01.08.2019, beneficiary registration is of utmost importance. Hence, all the formations are requested to reach out to the beneficiaries to ensure that correct email addresses are reflected in the ICEGATE. Special efforts may be taken for wide publicity in this regard.
5. All Chief Commissioners of Customs are requested to issue public notices. Feedback and queries, if any, may be sent by email to [icegatehelpdesk@icegate.gov.in](mailto:icegatehelpdesk@icegate.gov.in).
6. Any difficulties, in this regard, may be brought to the notice of the Board.

Yours sincerely,

Madam / Sir,

**Sub: “Implementation of PGA e-SANCHIT– Paperless Processing under SWIFT- Uploading of Licenses/Permits/Certificates/Other Authorizations (LPCOs) by PGAs” – reg.**

‘e-SANCHIT’ application is successfully in operation since 01.04.2018. The objective of the application is to further reduce physical interface between Customs/regulatory agencies and the trade and also to increase the speed of clearance in both imports & exports.

2. The facility to upload digitally signed Licenses/Permits/Certificates/Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on e-SANCHIT at all ICES (Indian Customs EDI System) locations across India was introduced from 16.11.2018 vide Circular No. 44/2018-Cus. dated 13.11.2018. In this regard, reference is invited to Board’s Circular No.13/2019-Cus. dated 03.06.2019 and Circular No.19/2019-Cus dated 16.07.2019 respectively . With the Circular No.19/2019-Cus dated 16.07.2019, 43 PGAs have been enabled for uploading their LPCOs on eSANCHIT.

3. Now, 4 more PGAs with their LPCOs as detailed in the Annexure-I are being brought onboard the *e-SANCHIT* platform. With this, the total number of PGAs brought on board becomes 47.

4. Since the facility to upload the LPCOs is now being fully made available to these 4 new PGAs, the beneficiaries i.e. importer/exporters/customs brokers would not be allowed to upload the previously issued LPCOs on e-SANCHIT **w.e.f 31/01/2020**. Further, to facilitate the members of the trade (beneficiaries), the PGAs are required to upload the LPCOs issued by them **during the last 15 days from above cut-off date**. Any LPCOs issued on a prior date may also be uploaded by the PGAs on *e-SANCHIT*, in order to enable the beneficiary to utilize the same.

5. It is reiterated that the PGAs will be communicating with the beneficiaries through the e-mail addresses registered in the ICEGATE. Board had already introduced simplified auto registration process in ICEGATE based on email IDs already provided by them for registration under GST without the use of digital signatures for limited purposes of e-SANCHIT (communication and viewing) and the IRNs will be communicated to such email IDs. In this regard, kindly refer to Board's Circular No.13/2019-Cus. Dated 03.06.2019 and circular No.19/2019-Cus. dated 16.07.2019 . Since the facility of beneficiary uploading these documents through e-SANCHIT **will be deactivated from 31.01.2020**, beneficiary registration is of utmost importance. Hence, all the formations are requested to reach out to the beneficiaries to ensure that correct email addresses are reflected in the ICEGATE. Special efforts may be taken for wide publicity in this regard.

6. All Chief Commissioners of Customs are requested to issue public notices. Feedback and queries, if any, may be sent by email to [icegatehelpdesk@icegate.gov.in](mailto:icegatehelpdesk@icegate.gov.in).

7. Any difficulties, in this regard, may be brought to the notice of the Board.

Yours sincerely,

(Eric C Lallawmpuia)

Madam/Sir,

**Subject:** Implementation of PGA e-SANCHIT– Paperless Processing under SWIFT-Uploading of Licenses/Permits/Certificates/Other Authorizations (LPCOs) by PGAs - **reg.**

“e-SANCHIT” application is successfully in operation since 01.04.2018. With the objective of further reducing physical interface between Customs/regulatory agencies and the trade and to increase the speed of clearance in both imports & exports, a facility to upload digitally signed Licenses/Permits/Certificates/Other Authorizations (LPCOs) by Participating Government Agencies (PGAs) on e-SANCHIT at all ICES locations across India was introduced from 16.11.2018 vide Circular No. 44/2018-Cus. dated 13.11.2018. Already 50 PGAs have been enabled for uploading their LPCOs on e-SANCHIT.

2. Now, 1 more PGA namely Registrar of Newspapers of India (RNI) with its LPCOs as detailed below is being brought onboard e-SANCHIT-

Sr.No.	Document Code	Document Name	Document Description	PGA Code
1	101RN1	<b>Certificate of Registration</b>	<b>Certificate of Registration issued by RNI for registering the publisher/Owner.</b>	RNI
2	911RN1	<b>Self declaration certificate for Import</b>	<b>Self Declaration Certificate is submitted by the Publisher/Owner of the newspaper and authenticated by RNI before importing the newsprint.</b>	RNI

With the above, the total number of PGAs on Board e-SANCHIT as on date becomes 51.

3. Since the facility to upload the LPCOs is now being fully made available to RNI, the beneficiaries i.e. importer/exporters/customs brokers would not be allowed to upload the previously issued LPCOs on e-SANCHIT w.e.f 31.05.2020. Further, to facilitate the members of the trade (beneficiaries), the RNI is required to upload the LPCOs issued by them during the last 15 days from above cut-off date. Any LPCOs issued on a prior date may also be uploaded by the RNI on e-SANCHIT, in order to enable the beneficiary to utilize the same.

4. It is reiterated that the PGA will be communicating with the beneficiaries through the e-mail addresses registered in the ICEGATE. Board had also introduced simplified auto registration process in ICEGATE based on email ids already provided by them for registration under GST without the use of digital signatures for limited purposes of e-SANCHIT (communication and viewing) and the IRNs will be communicated to such email ids.
