All Members of the Council

Subject: (1) Announcement: Post EGM Amendment Module & (2) Opening of all Customs Offices on 29th, 30th and 31st March , 2025

Dear Member,

We wish to inform you that the Directorate General of Systems (DG Systems) has launched the Post EGM Amendment Module via Advisory 16/2025, dated March 25, 2025.

This new feature allows for the amendment of shipping bills after the filing of the Export General Manifest (EGM), within a period of up to two years post-export, as per Section 149 of the Customs Act, 1962.

Below are the key details regarding this module:

Key Features of the Post EGM Amendment Module:

Eligibility for Use: The module can only be utilized once the Board issues a Circular or instructions for implementation.

Court Order Compliance: Currently, the amendment functionality can be used exclusively in cases where a court order, particularly from the Hon'ble High Courts, mandates such amendments.

Export Incentive Processing: Once a shipping bill is amended, the export incentives will be recalculated, and the benefits will be processed and paid to the exporter as per existing protocols.

Amendment Scope: The Customs officer may amend all fields of a shipping bill, except for the Exporter's Importer Code (IEC).

Procedure for Amendment

As per ICEGATE's guidelines, exporters must submit shipping bills with genuine errors to the relevant Commissioner of Customs for approval. Once approved, the shipping bills should be submitted to the jurisdictional court for an order, which will allow the Customs department to amend the shipping bills accordingly. Please note that this process is limited to shipping bills from the previous two years.

2. Additionally, we wish to inform that **Customs field formations under CBIC** will remain open on **March 29, 2025**, **March 30, 2025**, and **March 31, 2025**, and these will be treated as regular working days.

We trust this information is helpful and we assure you of our continued support.

Thanks n regards,

Sanjeev Kr Sharma

Addl Executive Director ISEPC, New Delhi India Mobile # +9899573797;

Encls: as above

CENTRAL BOARD OF INDIRECT TAXES & CUSTOMS

Dept. of Revenue, Ministry of Finance, Government of India

Date: March 25, 2025

Advisory No: 16/2025 Category: Exports Issued by: DGoS, ICES

Subject: - Post EGM Amendment Module -reg.

Reference is invited to the regulations issued under Section 149 of the Customs Act, 1962 allowing amendment of shipping bills within a period of up to 2 years after export. A new module has been developed in ICES to handle such amendments in the shipping bill after filing of EGM

2. The module may be used only after Board issues Circular/instructions for the same. Further, Board vide letter F.No. 450/108/2017-CusIV(Pt.) dated 13.03.2025 (copy of letter attached) has informed that as of now the functionality to amend the SB post EGM maybe used only in compliance of a court order, and hence, it may be used in cases where there are orders issued by Hon'ble High Courts.

3. Once a shipping bill is amended, the export incentives would be processed again and the benefits would be paid to the exporter as per the existing functionalities.

4. The functionality will allow the officer to amend all the fields of a shipping bill except the IEC of the exporter. The amendment module is a 3-step process:

- (a) **POST_AMD** role: In this role, the officer will activate the shipping bill by mentioning the details of approval taken for amendment of the shipping bill. The role may be allotted to the officer in the rank of JC/ADC as deemed fit.
- (b) **PO_EG_AM** role: Once the shipping bill is activated from POST_AMD role, it will move to this role i.e., PO_EG_AM role for entry of amendment details of the shipping bill. The role can be allotted to Appraiser/ Superintendent etc. After any amendment, officer needs to check the data integrity of the SB using option no.10 i.e., "Integrity check". This will display the list of errors, if any. It is **mandatory** to check the integrity using option no. 10 before submitting the SB through this role, otherwise the changes done in amendment will not be saved.
- (c) **PEA_AC** role: Once the amendment jobs are submitted through above role by the appraiser, the SB will move to PEA_AC role. In this role, the officer will submit/approve the shipping bill. This role can be allotted to officer in the rank of AC/DC.

5. Once the amendment is approved from PEA_AC role, the SB will move to scroll queue. A new type of scroll "P" PEA has been designed to handle scroll of Post EGM amendment SBs.

CENTRAL BOARD OF INDIRECT TAXES & CUSTOMS

Dept. of Revenue, Ministry of Finance, Government of India

6. It is observed that majority of the references from field formations including references due to court cases pertain to amendment in scheme code RoDTEP N to RoDTEP Y, etc. in a shipping bill. The processing of scheme code change type of amendment for a sample SB through "Post EGM Amendment Module" is enclosed as Annexure to this Advisory.

For reference, screenshots are attached with the Advisory.

Officers facing any difficulties or issues may email to Saksham.seva@icegate.gov.in

Deputy Director, ICES

CENTRAL BOARD OF INDIRECT TAXES & CUSTOMS
